

SUMMER CELEBRATION! AUGUST 9TH

# Rangeley Public Library

AUGUST 2018 NEWSLETTER

Dear Patron,

You may have heard me talk before about MARVEL!, Maine's digital library, but I want to highlight it again today because the Maine State Library unveiled a fresh, new version of MARVEL! on July 1st. One of the exciting new features of MARVEL! is Geo-Authentication. This means that anyone in Maine can have access to MARVEL! resources anytime 24/7.

MARVEL! now includes many new and exciting resources such as Pronunciator Language Learning which provides statewide access to a language learning tool. It also includes ChiltonLibrary, a great automotive repair resource, including mechanic ASE tests for those pursuing a degree in auto mechanics. Another great addition is the Small Business Resource Center which will be an awesome resource for entrepreneurs, small businesses, and students pursuing a degree in business. For our genealogists, we have MyHeritage Library Edition to compliment Ancestry Library edition. The benefit of this is that it can be accessed from home through MARVEL! instead of only being available from inside a library.

These are only a few of the exciting resources offered through MARVEL! Click here [MARVEL!](#) to check them out for yourself.
