

Rangeley Public Library says "Thank You" to its many wonderful volunteers.

Rangeley Public Library

OCTOBER 2019 NEWSLETTER

Dear Patron,

I recently attended a library meeting in which we discussed programming at libraries. We spent the morning discussing family engagement and planning programming that is aimed not only at children but at entire families. During the afternoon we focused on programming specifically for seniors. As a public library, we want to meet the needs of all members of our community. Over the next few weeks, the library staff will be discussing ideas for programming targeting needs in our community. If you have ideas or know of needs that you would like to bring to our attention, please feel free to stop by and chat or give us a call (864-5529) or send me an email (see below). We can't guarantee that the library will be able to meet all needs brought to our attention, but we will give all ideas serious

consideration and think about whether or not they are within the scope of the library's mission.

Thank you for your help,

Janet Wilson, Director
