

RANGELEY PUBLIC LIBRARY December 2022 Newsletter

Photo by Wess Connally, Winter 2022

Dear Library Patron,

Every year, the holidays sneak up on me, but this year was especially sneaky with temperatures in the 60s, or even low 70s, as late as Veterans Day. Then boom! It was cold enough to snow! But still, in my mind, it felt like early fall. So how can Thanksgiving now be in the rear view mirror? And, ready or not, December is here! However you celebrate at this time of year, I hope that you will have some time to relax with a good book or maybe a jigsaw puzzle as you listen to your favorite holiday music. As always, the Rangeley Public Library has some great books, movies, puzzles, and more just waiting for you to come pick them up.

See you soon,

Janet Wilson, Director

Closed Saturday December 24th

Volunteers Needed!

We began **putting new barcodes on all of our books** and other items for lending back in late October in preparation for migrating to a new library system. With the help of many volunteers, we have finished the adult fiction room, but still have the adult nonfiction collection and all of the items in the children's rooms left to go. **We could still use more help!** It is easy (but time consuming!) work which involves both sticking new barcodes on items in our collection and updating our computerized records to match those barcodes. We are happy to train anyone who wants to help. If you have a couple of hours to spare, we would love to have you join us!
